

— VINTAGE CASKS — SINGLE MALT SCOTCH WHISKY NO.2 - INCHGOWER DISTILLERY - 2007

PRODUCT INFORMATION

AGED 10 YEARS IN CASK

The Mossburn Vintage Casks range are a collection of Single Malt Scotch Whiskies each issuing from a strictly limited and select batch of casks. Each numbered release will only ever yield a finite number of bottles. While this means that we can never replicate the particular character of this Single Malt, it also offers an opportunity to sample what we believe to be an exceptional example of the whisky made by one of Scotland's most distinguished distilleries.

Tasting Notes

Located very close to the mouth of the River Spey on the northern coastline of Moray, the Inchgower Distillery produces quite heavy spicy malt with a distinct coastal salinity. The flavor has developed further in casks to give some oaky structure but the refill hogsheads have allowed the natural spice, candied orange and cloves on the nose to come through. Further flavors develop on the palate with notes of nuttiness, allspice and pepper.

PRODUCER SUMMARY

At Mossburn we only produce hand-crafted whiskies of the highest quality, selected from our own aging stock. For this Vintage Casks range we have sought out Single Malts of interest, issued from specific vintages, with full traceability of the distillation and cask aging they have undergone.

The master blender has specially selected these barrels from our aging warehouses, where many Single Malt Casks lie slowly maturing, as worthy of special Mossburn Distillers & Blenders bottling. Each batch exhibited the classic hallmarks of balance, depth and complexity that only the best Single Malts can deliver.

This select Single Malt Scotch Whisky has been bottled without any coloring or chill filtration.
