SINGLE MALT SCOTCH WHISKY NO.6 - ARDMORE DISTILLERY - 2008

PRODUCT INFORMATION

AGED 9 YEARS IN CASK

The Mossburn Vintage Casks range are a collection of Single Malt Scotch Whiskies each issuing from a strictly limited and select batch of casks. Each numbered release will only ever yield a finite number of bottles. While this means that we can never replicate the particular character of this Single Malt, it also offers an opportunity to sample what we believe to be an exceptional example of the whisky made by one of Scotland's most distinguished distilleries.

Tasting Notes

No coastal influence here, but plenty of peat! Ardmore Distillery is in the Eastern Highlands and stands out because most of its spirit is made from peated barley fermented in 14 wooden washbacks. Here we have an initial smokiness from the phenols in the barley re-enforced by being aged in re-used Islay barrels. This lifts the woodsmoke elements which are then balanced out with some light vanilla and apple notes. More smoky flavors and sweeter touches are evident in the flavor with a light hint of cloves and woody cinnamon in the finish.

PRODUCER SUMMARY

At Mossburn we only produce hand-crafted whiskies of the highest quality, selected from our own aging stock. For this Vintage Casks range we have sought out Single Malts of interest, issued from specific vintages, with full traceability of the distillation and cask aging they have undergone.

The master blender has specially selected these barrels from our aging warehouses, where many Single Malt Casks lie slowly maturing, as worthy of special Mossburn Distillers & Blenders bottling. Each batch exhibited the classic hallmarks of balance, depth and complexity that only the best Single Malts can deliver.

This select Single Malt Scotch Whisky has been bottled without any coloring or chill filtration.
