## DUJARDIN VSOP

Dujardin Imperial is the premium brandy in VSOP quality. The best French wines give it its classic, distinctive character. For the complete enjoyment of brandy Dujardin ages particularly long in oak barrels, in this way it gets its tempting golden color, the mild flavor and its fragrant bouquet. While most European Brandies were simply known and referred to as Cognac, the Versailles treaty reserved the term only for Brandies produced in the Cognac region of France. Dujardin since referred to it's product as German Brandy or Weinbrand.
