While this means that we can never replicate the particular character of this Single Malt, it also offers an opportunity to sample what we believe to be an exceptional example of the whisky made by one of Scotland's most distinguished distilleries.

Tasting Notes

One of Scotland's older distilleries, Brackla was founded in 1817. The current distillery production is modelled around a medium fermentation, with the wash and low wines being forced through upwards-angled lyne arms giving abundant reflux and plentiful esters. This spirit was aged in smaller bourbon barrels for nine years mellowing the fresh fruity original spirit to give dried fruit and oaky spice on the nose with the palate adding the distillery's trademark vanilla baked apple and caramel malt.

PRODUCER SUMMARY

At Mossburn we only produce hand-crafted whiskies of the highest quality, selected from our own aging stock. For this Vintage Casks range we have sought out Single Malts of interest, issued from specific vintages, with full traceability of the distillation and cask aging they have undergone.

The master blender has specially selected these barrels from our aging warehouses, where many Single Malt Casks lie slowly maturing, as worthy of special Mossburn Distillers & Blenders bottling. Each batch exhibited the classic hallmarks of balance, depth and complexity that only the best Single Malts can deliver.

This select Single Malt Scotch Whisky has been bottled without any coloring or chill filtration.
