SINGLE MALT SCOTCH WHISKY

PRODUCT INFORMATION

AGED 10 YEARS IN CASK

The Mossburn Vintage Casks range are a collection of Single Malt Scotch Whiskies each issuing from a strictly limited and select batch of casks. Each numbered release will only ever yield a finite number of bottles. While this means that we can never replicate the particular character of this Single Malt, it also offers an opportunity to sample what we believe to be an exceptional example of the whisky made by one of Scotland's most distinguished distilleries.

Tasting Notes

Not the most picturesque of distilleries, Craigellachie Distillery is however ideally situated at the fork of the Spey and Fiddich Rivers. Its spirit is weighty even at birth from the long fermentation and adds floral and fruit weight as it matures. This bottling from refill hogsheads offers pungent fresh cereal with white pepper/gunsmoke notes, following up with boiled sweets, toffee malt and finishing with a little kick of fire.

PRODUCER SUMMARY

At Mossburn we only produce hand-crafted whiskies of the highest quality, selected from our own aging stock. For this Vintage Casks range we have sought out Single Malts of interest, issued from specific vintages, with full traceability of the distillation and cask aging they have undergone.

The master blender has specially selected these barrels from our aging warehouses, where many Single Malt Casks lie slowly maturing, as worthy of special Mossburn Distillers & Blenders bottling. Each batch exhibited the classic hallmarks of balance, depth and complexity that only the best Single Malts can deliver.

This select Single Malt Scotch Whisky has been bottled without any coloring or chill filtration.
