SCHÖNAUER APPLE LIQUEUR

Schönauer Apfel Liqueur is distilled to 21% Alc./Vol., using the best apples and pure grain spirit. The sweetness is derived directly from the fruit, not syrup; just the smooth taste of apple juice. This product is a German specialty and ranks among the best selling brands of its kind in Germany. Schönauer is sweetly tart, with baked apple flavors, and has almost no discernable alcohol taste. Schönauer contains no artificial colors or flavorings and no caramel color. Schönauer Apple Liqueur - Taste the real apple!
