PRODUCT INFORMATION

The Mossburn Vintage Casks range are a collection of Single Malt Scotch Whiskies each issuing from a strictly limited and select batch of casks. Each numbered release will only ever yield a finite number of bottles. While this means that we can never replicate the particular character of this Single Malt, it also offers an opportunity to sample what we believe to be an exceptional example of the whisky made by one of Scotland's most distinguished distilleries.

Tasting notes

In the north-east corner of the Spey region, near the town of Keith, the Glentauchers Distillery has several substantial stone-built buildings with two traditional pagoda roofs, the view slightly spoiled by the unsightly still room tucked around the corner. The distillery has six stills and six wooden washbacks. Initially tight with light oaky spice and green apple, softening to give sweeter barley sugar notes. Powerful hot woody notes at first on the palate, but these soften and enrichen with a little water to give marmalade notes, some dried apricot and oaky spice.
