

# MEZAN

THE UNALTERED RUM

## MEZAN VINTAGES

A rare collection of vintage rums. All Mezan Vintage Rums come from a Single Distillery, some founded centuries ago, others no longer in operation. Only a few casks are still available at this time; making them exclusive and limited. Each rum is aged in ex-bourbon casks until it reaches the height of maturation. Then the precious liquid is bottled under the supervision of the Cellar Master.

### PANAMA 2006

Distinctive soft molasses based rums distilled in multi-column stills. The distillery grows its own cane for the production of both aguardiente and rum and also cultivates historical yeast cultures which add character and individuality to the production of their rum. The rums in this small batch have been aged twice in separate sets of white oak American Bourbon casks, to give added structure to the spirit.

#### NOSE

Buttery caramel with a touch of dried apricots and guava.

#### TASTE

Soft on the palate, tropical marmalade flavors combining well with some burnt sugar notes

Pack Size: (6 x 750ml)

ABV: 40%

UPC: 080368 84136<sup>8</sup>

### GUYANA 2005

The Guyana 2005 from Diamond Distillery was distilled in the double wooden pot still from the original Port Mourant Estate which was founded in 1732. When the estate closed, the still was first moved to Uitvlugt Distillery and then finally to Diamond, where it now produces medium to heavy Demerara style rum

#### NOSE

A complex well developed nose, deeper tropical touches, elements of eucalyptus and green capsicum.

#### TASTE

Balanced ginger, guava and banana Oaky, lightly citric finish

Pack Size: (6 x 750ml)

ABV: 40%

UPC: 080368 84150<sup>4</sup>
