

Armagnac **SEMPÉ**

SEMPÉ ARMAGNAC VSOP

Sempé VSOP is aged much longer than other VSOP Armagnacs. The Armagnac included in this blend comes from the Bas-Armagnac and Ténarèze regions. Distilled once in a copper pot still to deliver its breadth of quality flavors, it contains a strong concentration of prunes, plums, and violets on the nose. Contains a strong concentration of fruit on the nose with a slight hint of prune and a fine amber color. Subtle aromas of plums and violets with a velvety finish.

Armagnac is France's oldest brandy with the first written record of its existence dating back to 1411, thus predating Cognac by some 200 years. Sempé Armagnac is produced from white wine made from grape varieties carefully selected from the best vineyards in Armagnac. It is distilled only once through a copper alambic then aged in handcrafted casks made from the best French oak. These casks are stored in cellars where the Armagnac will slowly develop its body, bouquet and finesse under the careful eye of the Cellar Master.
