

CAISTEAL CHAMUIS

BLENDED MALT SCOTCH WHISKY

PRODUCT INFORMATION

A classic 'Island style' Blended Malt Scotch Whisky, bold and smoky, but with an approachable double cask finish that balances the heavy Island peat notes, offering an easy access into the sometimes challenging world of peated whiskies.

This is a characterful whisky, blended from a careful selection of fine Single Malts all distilled on the islands of Scotland and recasked in first-fill bourbon barrels for added depth and a mellow oakspice finish.

Tasting Notes

Originally aged in refill and first-fill American Oak Hogsheads, the individual Malts that make up this whisky were then blended before a final finish in smaller 200 liter fresh Bourbon Barrels. This second period of maturation and marrying of flavor adds further layers of fresh fragrant smoky oak to the original peaty aromas and a touch of sweetness and heightened vanilla overtones on the palate.

PRODUCER SUMMARY

Mossburn Distillers is a young company with a growing whisky brand portfolio. We're here to make whiskies that appeal to those who love Scotch as truly, deeply and proudly as we do. We strive to see beyond the obvious, always choosing the road less travelled. We are whiskymakers for whisky people.

We have named this whisky after Caisteal Chamuis, also known as Knock Castle or Castle Camus, was once a strategic stronghold that helped Clan Macleod secure their hold over the Sleat peninsula on Skye, with the first elements of the castle raised in the 13th century on the site of an Iron Age fort known as Dun Thorabhaig. The castle ruins that we see today are testament to its rich and storied history.

This classic Island style Blended Malt Whisky is a tribute to Hebridean life and lore, and reminds us of a time of peat fires, lively company, and bold spirits. Bottled the old way, without coloring or chill-filtration.

CAISTEAL CHAMUIS

BLENDED MALT SCOTCH WHISKY

A classic Island style Blended Malt Whisky made with a selection of heavily peated Single Malts all distilled on the Scottish Isles. Aged first in refill and first-fill Hogsheads, our master blender has chosen to re-age this spirit in smaller fresh Bourbon Barrels. This second maturation further mellows the spirit, adding a seductive oak-spice depth for a truly accomplished Scotch Malt Whisky.
