

SCHLADERER

A FAMILY DISTILLERY SINCE 1844

RASPBERRY LIQUEUR

Hand-picked forest raspberries refined with fresh raspberry juice. The basis for this fruity liqueur is natural raspberry juice and our unique Wild Raspberry Brandy. For this, we use fragrant, hand-picked forest raspberries from the Carpathians. The fine raspberry aroma of the fruit brandy provides a perfect basis for the fruity liqueur with its full raspberry flavor. The natural ingredients for a chilled-out summer drink.

HISTORY

Since 1844, Schladerer has been distilling the finest fruits available to produce a wide range of world famous brandies and liqueurs. Schladerer has its origin in the little town of Staufen in Germany's historic Black Forest. In its sixth generation, Schladerer is still family-owned. It adheres to traditional values of responsibility and commitment, while meeting modern needs in order to lead the company into a successful future.
