**GREEN COMPANY**  
GREEN AWARDS 2018

**SUSTAINABILITY TRAILBLAZER 2021**

In the village of Koskenkorva, our distillery runs mostly on bioenergy, we use our barley fully, even its husks and stalk, and recycle 99.9% of everything. Some call this sustainability. For us it's a way of life. (And yes we're working on that last 0.1%.)

## PRODUCT OF FINLAND
