DOUBLE OAK

Clonakilty Single Batch Double Oak Finish is the flagship Clonakilty Irish Whiskey.

A premium marriage of Irish malt and grain, this whiskey is matured in ex-bourbon casks, and finished in virgin American oak; and shaved and re-toasted ex-red wine European oak casks (NEOC, New Era of Cask).

This makes it the world's first Irish whiskey to be finished in a NEOC cask. NEOC are ex-red wine barrels from the Bordeaux region of France. They are hand-shaved by traditional coopers, and re-toasted according to each individual distiller's specification.

NOSE:

CLONAKILTY DISTILLERY

A small family farm on the southwest coast of Ireland and an Irish farmer with a very big dream. The Scully family, the founders of Clonakilty distillery, have farmed this windswept coastal land for 9 successive generations. With the best resources that nature has to offer, prime land, pristine water and salt sea air, they had the perfect ingredients for a maritime distillery.

We grow our own heritage barley on our family farm in the shadow of the Galley Head lighthouse. Centuries of sea mist, soft rain and ocean spray provide a complexity to the soil that permeates through to each individual grain.
