DISTILLERY
Co. CORK - IRELAND

MINKE IRISH GIN

The base spirit used to make Minke Gin is derived from whey, produced from our 9th generation family farm near Galley Head Lighthouse. This gives a unique velvety texture and mouthfeel to each delicious drop.

On the palate, fresh n' fruity, zesty, later the rock samphire from our local cliffs becomes obvious with some green fennel-like notes.

ABV: 43.6%
