Tastes excellent with Nuremberg gingerbread, biscuits, stollen and other wintry pastries. Ready to drink - just heat - do not boil!

## *An Old-World Winter Tradition*

Gerstacker is a family company, founded in 1945, that is among the foremost wine bottlers in Bavaria. The tradition of this mulled wine comes from the Nürnberg Christkindl-Markt, Germany's most famous Christmas market, which is visited every year by millions of people. The recipe for these wines dates back hundreds of years and it is still being produced according to old-world tradition to this day.

To prepare, simply pour glühwein into a sauce pan and warm on the stove over low heat (do not boil). Feel free to add a cinnamon stick, honey or orange slice to enhance the flavor. If you are in a hurry, safely heat in the microwave.
