

# HATOZAKI

## WHISKY

### SMALL BATCH WHISKY

A careful selection of malt whiskies.

Each small batch aged in no more than 20 barrels.

Foundation blend created from a selection of fine whiskies: first aged in ex-Bourbon casks, then a portion of each is blended & aged in ex-Sherry casks.

The final blend is further matured in rare Mizunara casks, the Japanese oak from the Hokkaido forest.

Never colored or chill filtered, which preserves the whisky's delicate personality.

Can be enjoyed neat or on the rocks.

#### TASTING NOTES

The sweet taste of malted cereals and dried fruit are uplifted by a light smoky undertone and an aromatic honey finish on the palate. Round, and generous, can be enjoyed neat or on the rocks.

NON CHILL-FILTERED, NOT COLORED

Launched by the Kaikyo distillery, Hatozaki whiskies were born of Master Distiller & Blender Kimio Yonezawa's vision to create elegant and genuine whiskies aged on the shores of the Seto inland sea. A quiet world, an ecosystem where peace reigns supreme and natural forces wield their inimitable power. The sea winds and salty breezes provide ideal and unique conditions for ageing whiskies.
